

The Duchy Barn

Our brand new luxury cottage. Regal and playful in design, offering a cosy and sumptuous experience.

The Duchy Barn is the third luxury holiday cottage at Tregoose Old Mill. This former grain store has been lovingly restored and now provides those seeking time away with all the luxuries of a boutique hotel with the convenience of being home from home. As with our two other holiday cottages we have designed, decorated and given much thought to every detail to ensure you feel relaxed, pampered and carefree.

Playful and regal are the inspirations behind the concept of The Duchy Barn. Our aim is to provide a unique and tranquil grown-up escape providing you with the perfect place to return to and best place to start your day ahead.

The Barn is on one level and across from our flock of hens which supply fresh eggs for your arrival. The living space is light, spacious and cosy. The well-equipped kitchen has everything you will need to whip up a culinary delight with no need to do the dishes after as the dishwasher can take care of that. Dining is a delight so why not have pre dinner drinks outside and for the chillier nights take a seat on the sofa and loose yourself with the sound of the wood burner. Your Bluetooth enabled record player provides some tunes from our selection of LP's. For those who wish to catch up on movies and box sets simply connect your device to the smart TV and enjoy. We advise you to download anything you need before arrival as the Wi-Fi is good for general browsing and checking emails.

The kitchen area is equipped with a fridge freezer, wine fridge, cooker, microwave, kettle and toaster. We provide ground coffee, tea, sugars, milk and freshly baked on the day scones with clotted cream and strawberry jam to help you get settled.

Your en suite bedroom is in one word dreamy, flooded with light during the day and with its dimmable lights, seductive in the evening. A super king size iron bed is dressed for you with 400 thread count linen, super sumptuous pillows and bedding. Your dilemma will be deciding when to leave it. Under the two roof windows is your in-room freestanding bath to share or soak alone until your heart's content. The shower room has two rainfall shower heads for those of you who cannot stand to be apart, you will also be supplied with bathrobes, large fluffy white towels and Noble Isle shower gel and shampoo. You will also find an iron and ironing board, a dressing table equipped with mirror and a hairdryer.
