

The Wiggly Tin

New for Summer 2020, our new shepherds hut looking over the orchard, enjoying the gentle sound of the river

Summer 2020 will see the exciting launch of The Wiggly Tin, our brand-new bespoke Shepherd's Hut set in one of our Victorian orchards with your very own flock of Ryland Sheep to admire and muse over. The outdoor wood fired hot tub invites you to relax alone or share the soothing warm waters. Be in the moment and enjoy this very special experience with the soundtrack of the birds, the river and gentle baaing of the Rylands.

Sleeping at The Wiggly Tin is an experience. Enjoy fine linens, comfy bedding, the sumptuous king-size bed gives you the permission to stay in bed a little longer. The best part is the large arched roof window which is perfect for star gazers and day dreamers alike. For those who want breakfast in bed, snuggle up and gaze at the Orchard and Rylands through the window at the foot of the bed – It doesn't get much better than this.

The Wiggly Tin features an en suite shower room in which you will find fluffy Kingsize towels, bathrobes and our favourite shampoo and shower gel.

A petit kitchen with double hob, oven, kettle, toaster and fridge as well as an outdoor fire pit barbecue for you to embrace. Al fresco dining in our seating area followed by after dinner drinks in the two iron rocking chairs. We provide crockery, glassware, cutlery, utensils, pots and pans - all you need to whip up a delicious supper or breakfast in bed with fresh eggs from our flock of chickens.

Those booking The Wiggly Tin will be more than entitled to feel a little smug.
